GOLDEN METAL Pvt. Ltd.

MANUFACTURER OF PRECISION STAINLESS STEEL
A TUV CERTIFIED ISO 9001:2015 COMPANY

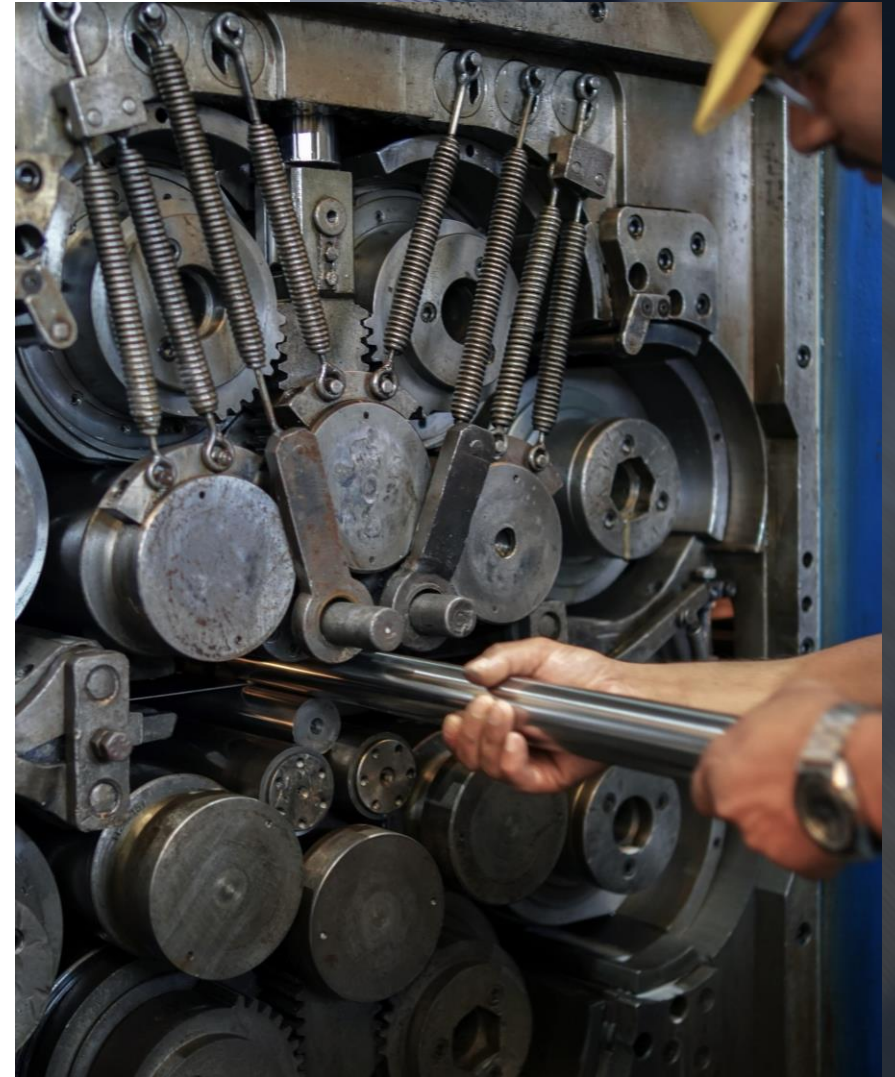

ABOUT US

Golden Metal Pvt. Ltd. (GMPL) started its journey in 1974 by establishing itself as one of the most promising trader of Stainless Steel materials specializing in Coils, Strips and Foils. In its pursuit of excellence and mission for expansion, GMPL initiated its manufacturing unit of Stainless Steel Coils, Sheets, Strips, Shims and Foils in Umbergaon, Gujarat, India.

GMPL's manufacturing plant is spread across 8 acres of land (3,50,000 sq. ft.), boasting of world class 20 Hi Sendzimir Cold Rolling Mill (Z Mill Technology) with Automatic Gauge Control, Grinding Machines, Annealing Pickling Line, High Precision Slitting Lines, Edging Line and Packing Machines.

With 10,000 tons annual production capacity, we constantly strive to gratify our customers with their various requirements pertaining to several industries including Automobile, Electronics, Petrochemical Plants, Power Projects, Pharmaceutical & Chemical Projects and many more.

At GMPL, we take immense pride in being at the forefront of India's steel manufacturing industry. Established with a vision to revolutionize the steel sector, we have consistently strived to exceed expectations, delivering top-quality products and services to our valued clients both domestically and internationally.

OUR COMMITMENT TO EXCELLENCE

Driven by a passion for innovation and excellence, we have built a reputation for reliability, integrity, quality and unparalleled customer service. With state-of-the-art facilities and a team of skilled professionals, we specialize in the production of high-grade steel products that meet the diverse needs of various industries.

VISION

As a leading player in India's steel manufacturing landscape, our vision is to continue pushing the boundaries of innovation, sustainability, and customer satisfaction. We aspire to be the partner of choice for businesses seeking reliable and cutting-edge steel solutions, both domestically and globally.

OUR LEADERSHIP TEAM

WHY CHOOSE US?

- ✓ SS Strips & Coils: 0.05mm Min. Thickness & 3mm Min. Width
- ✓ State-of-the-art Manufacturing Facility
- ✓ Oscillate Coil Winding
- ✓ Proven Track record
- ✓ Tailor-made Solutions

OUR GOALS

Our goal is to produce versatile, high-quality material that meet specific industry standards and customer requirements while ensuring optimal performance and durability. This involves precise control manufacturing processes, including cold rolling, to achieve desired properties such as thickness, surface finish. By focusing on efficiency and sustainability, we aim to minimize waste and energy consumption while delivering coils that can be easily processed for a variety of applications, from architectural elements to automotive components and beyond.

SS COILS & STRIPS

Discover Versatility and Durability with Stainless Steel Coils and Strips

Elevate your projects with the unmatched quality and resilience of Precision cold-rolled Stainless Steel Coils and Strips.

Engineered to meet the highest standards of performance and aesthetics, our range of stainless steel products offers a myriad of applications across industries.

- **Thickness range:**
0.05mm (0.002") to 5mm (0.200")
- **Width range:**
3mm (0.125") to 1500mm (59.000")
- **Surface Finish:**
2D, 2B, BA, CR (as rolled)
- **Temper Condition:**
Soft Annealed, QH, HH, 3/4H, FH, Extra FH etc.
- **Edge Profile:**
Slit Edge, Deburred Edge, Round Edge

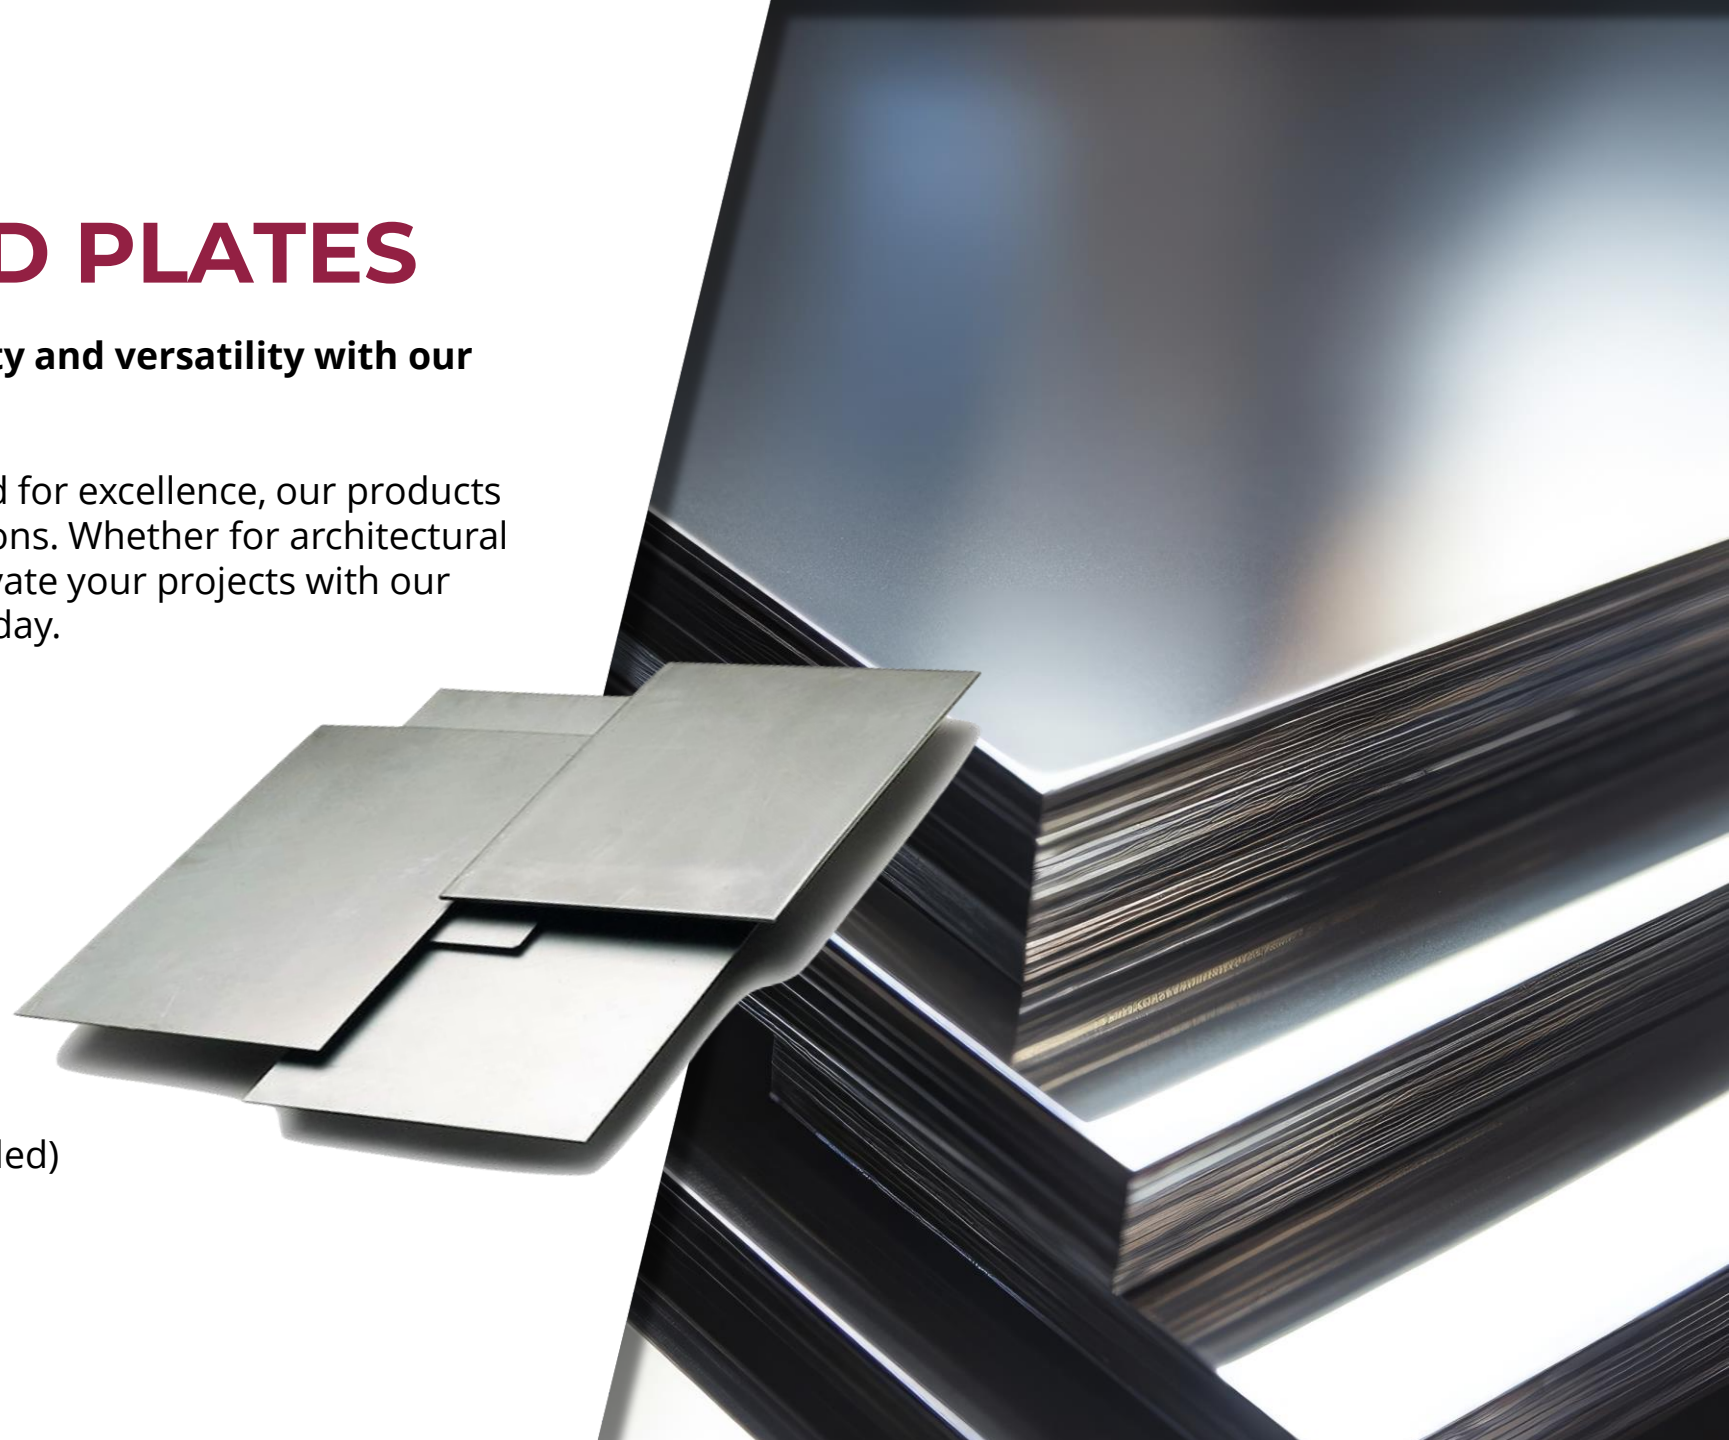

SS SHEETS AND PLATES

Experience the epitome of durability and versatility with our Stainless Steel Sheets and Plates

Crafted with precision and engineered for excellence, our products are ideal for a wide range of applications. Whether for architectural accents or industrial applications, elevate your projects with our premium quality sheets and plates today.

- **Thickness range:**
0.50mm (0.020") to 80mm (3.150")
- **Width range:**
Upto 2000mm (78.000")
- **Length:**
As required
- **Surface Finish:**
2D, 2B, BA, HR (Hot Rolled), CR (As Rolled)

OTHER PRODUCTS

Enhance your projects with our premium Stainless Steel products crafted for durability, precision, and timeless aesthetics.

Stainless Steel Rods & Bars:

Our premium Stainless Steel Rods and Bars are meticulously crafted for strength and precision. From structural support to decorative elements, trust in the durability and versatility of our products to meet your diverse needs.

Stainless Steel Pipes & Tubes:

The reliability and durability of our stainless steel pipes and tubes are engineered to withstand demanding conditions.

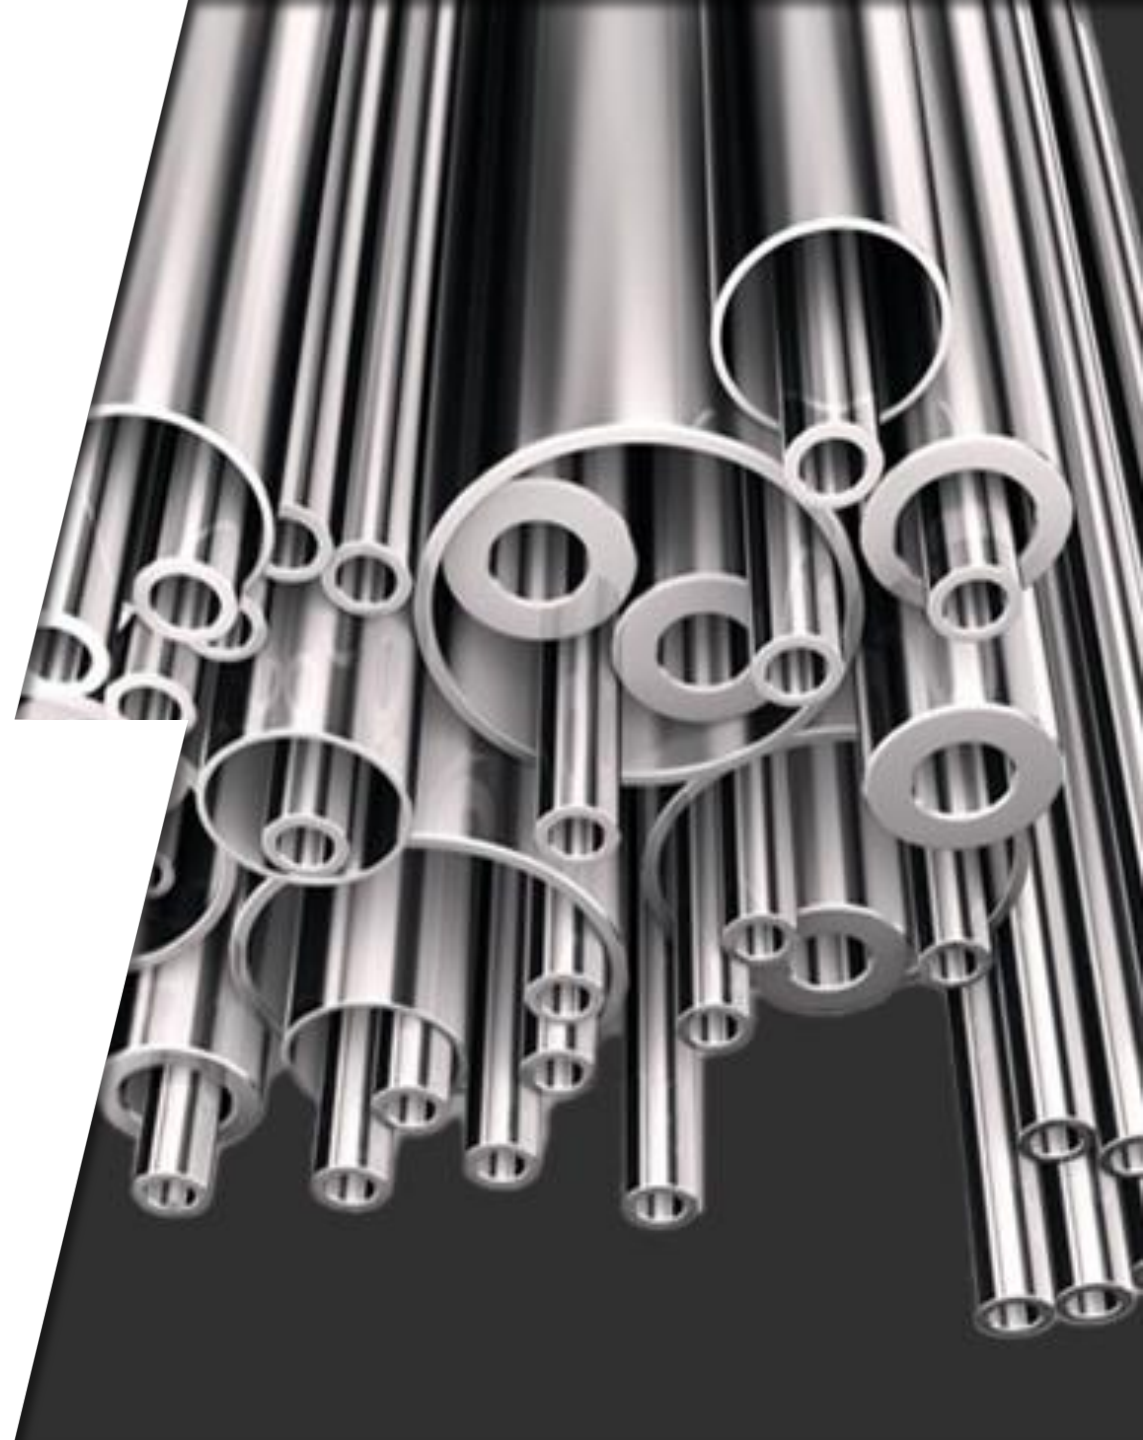

Nickel Alloy:

(Monel, Nickel, Inconel, Hastelloy, Titanium, Tantalum)

Duplex & Super Duplex:

(S32205, S32550, S32750, S32760)

Explore our range today and experience the difference quality makes.

Refineries & Chemical Industries

Sheet Metal Press Components

Springs, Clips & Washers

Writing Instruments

QUALITY POLICY

"We at Golden Metal Pvt. Ltd is committed to manufacture and supply Stainless Steel Coils, Strips, Sheets & Foils to our customers ensuring that finest quality material are used for all our products. We have a Stringent Parameters set for the Quality which is followed at GMPL using all applicable statutory and regulatory requirements by continually improving the quality of our products to serve our clients better."

TUVINDIA

Certificate

Management system as per
ISO 9001:2015

The Certification Body TUV INDIA PVT. LTD. hereby confirms as a result of the audit, assessment and certification decision according to ISO/IEC 17021-1:2015, that the organization

GOLDEN METAL PVT. LTD.
S.No. 98/1, Dehri Road, Tal. Umbergaon,
Dist. Valsad - 396 170,
Gujarat,
India

operates a management system in accordance with the requirements of ISO 9001: 2015 and will be assessed for conformity within the 3 year term of validity of the certificate.

Scope

Manufacture and Supply of Stainless Steel Coils, Strips, Shims, Sheets and Foils.

Certificate Registration No. **QM 02 01262**
Audit Report No. **Q 6700/2015**

Valid from **22.11.2024**
Valid until **21.11.2027**
Initial certification **22.11.2018**

Visit our database to verify the validity of this certificate.
